ORDER APPROVING TARIFF AND ISSUING CERTIFICATE

(Issued June 9, 2004)

On May 11, 2004, Midwest Datacom, Inc. (Midwest Datacom), filed a proposed local exchange tariff with the Utilities Board (Board) providing the terms, conditions, and rates for local exchange service in the listed exchanges. The proposed tariff has been identified as Docket No. TF-04-161.

On April 27, 2004, the Board issued an order in Docket No. TCU-04-6 approving Midwest Datacom's application to provide service in the listed exchanges and approving concurrence in the exchange maps filed by Qwest Corporation. The order stated that a certificate would be issued when Midwest Datacom obtained an approved tariff setting forth the prices, terms, and conditions of local exchange service in Iowa. Midwest Datacom requests the Board approve the proposed tariff and grant it a certificate to provide service in the listed exchanges.

The Board has reviewed the proposed tariff and finds that it substantially complies with Board rules for the filing and processing of tariff pages. The tariff contains the rates for both business and residential customers. Notice was provided

to all affected carriers. The Board will approve the tariff effective the date of this order and issue Midwest Datacom a certificate of public convenience and necessity concurrent with this order.

IT IS THEREFORE ORDERED:

1. The tariff filed by Midwest Datacom, Inc., on May 11, 2004, is approved, effective the date of this order.
2. A certificate identified as Certificate No. 0283 is being issued to Midwest Datacom, Inc., concurrently with this order.
